Rob Flitton, “*The Closer*”, REALTOR® Successfully Completes Course on Asset Protection & Estate Planning for Real Estate

LAS VEGAS, NV, July 13 2011 — Rob Flitton, “The Closer”, of RE/MAX CENTRAL in Las Vegas, a talented and successful REALTOR® with more than 25 years of experience, has successfully completed a substantial course of study on ASSET PROTECTION & ESTATE PLANNING FOR REAL ESTATE through a Las Vegas Law Firm.

“My clients can benefit substantially by proactively taking steps to protect their ‘naked assets’ – i.e., those assets that are exposed and potentially vulnerable to loss – by implementing an ASSET PROTECTION TRUST,” says Flitton, adding “but specific legal advice should be sought first on a case-by-case basis.” It is widely understood that assets are vulnerable to five basic threats: death, disability, lawsuits, nursing homes, and divorce. “I have excellent resources available on my team for those clients who wish to protect themselves in this highly vulnerable marketplace. If an asset was worth earning, then it is worth protecting – I can help my clients achieve this.”

Flitton joined RE/MAX CENTRAL earlier this year and at the time noted, “My strong competitive advantage over other agents is my years of success in negotiating major deals – I consistently close the deal on great terms and communicate very well with my clients. Many agents may start off well, but they don’t finish or close well and leave their clients bewildered. I knew that joining RE/MAX was the next logical step because it is the brand that deserves the most motivated and best trained agents.”
